

Hello, Derby Residents,

We want to let you know three things today.

1. Derby Public Works will be picking up brush and debris from the Storm. Please cut the debris into pieces less than six feet and place them near the road on your property. They will be picked up. We ask that you be patient as this is a big task.
2. The Derby Senior Center will be closed for the remainder of this week while the Elizabeth Street sidewalk and utility installation is completed. We will keep you posted as to next week's schedule.
3. The summer concert scheduled for tonight featuring Tony Susi will be postponed until tomorrow night. We hope to see you on the Derby Green for this free concert.
4. For more information, please visit [www.derbyct.gov](http://www.derbyct.gov) or City of Derby CT on Facebook.
