A meeting of the Board of Apportionment & Taxation of the City of Derby was held on Friday evening, May 29, 2009 in the Aldermanic Chambers, City Hall.

Chair Carolyn Duhaime called the meeting to order at 7:05 p.m. with the pledge of allegiance.

By roll call, members present were Chair Carolyn Duhaime, Anthony DeFala (arrived at 7:19 p.m.), Leone DiSorbo, George Kurtyka, Joseph Laskowski, Frank Lazowski, Mark Nichols (arrived at 7:17 p.m.), Julia Romano, Judith Szewczyk and Paul Varsanik.

**PUBLIC PORTION**

Mayor Staffieri said upon his presentation he will be recommending the Tax Board adopt Dr. Tracy's budget of 17,357,000.

Dr. Tracy said he appreciates the Mayor's gesture and the Tax Board's efforts.

Tom Lionetti - 79 Sunset Drive. Mr. Lionetti thanked the Tax Board for all of their hard work over the past months. He also thanked the Mayor. He hopes that we adequately fund the education budget.

Marc Garofalo - 95 Academy Hill Road. Mr. Garofalo said he was a Mayor and also sat on the Tax Board. Item 5a the Mayoral presentation is a disgrace and public disservice to the spirit of public service. Section 32 of the Charter states the Mayor shall chair the Tax Board. He has not been at these budget workshops. How can anybody comment on anything other than what was just said about the education budget. In addition, there is an adoption of revenue numbers that nobody has had a chance to evaluate or comment on. He finds it curious the bonded debt number went down, before the article in the paper of the refinancing. Also the salary line items have no increases. There is overtime for sanitation for the dump, that was taken over by an outside firm and so there should be no cost here. The Public Works line item is not clear how many people are being funded. There is a grievance out there. If those people come back is there money there for that? The special storm account seems like a low number. Clearly, education is not a priority. There will be larger class sizes in the fall.

Dan Waleski - 21 Elm Street. Mr. Waleski has attended workshops and the Board has shown a lot of hard work. The public portion is supposed to be for constructive and contributing comments. It is meant to reflect decorum and proper respect for those

involved. He asks the Chair to be more diligent in the proper procedures and decorum in handling the public's comments.

Mr. Garofalo - 95 Academy Hill. Mr. Garofalo wanted to know if the public will be able to comment after the Mayor's presentation. Ms. Duhaime stated no.

Dina Weismann - said under Robert's Rules it is the Board's pleasure if they want to add a public portion.

Arlene Yaccobacci - 10 Lombardi Drive. She hopes the Board does keep the education funding there. Also, her husband spoke about the legal costs for the City. She was wondering if the Board addressed this issue. Ms. Duhaime said she checked with Corporation Counsel and the figures are accurate for his request.

No one else from the public. The public portion was closed.

### **Mayoral Budget Presentation**

The Mayor asked Keith McLiverty to present some news regarding the refinancing of the bonded debt.

Mr. McLiverty explained to everyone the City refinanced the 1998 debt as well as issuing notes for the Derby Middle School. S & P upgraded the bond rating for the City of Derby from an A+ to AA-. Mr. McLiverty and the Mayor went before the S & P and presented the City's financial, economic and budget data for the last few years. S & P did an assessment and notified the City on May 28th of the AA- rating. Mr. McLiverty distributed the official rating from S & P issued on the 28th.

The Mayor continued with his presentation:

*"We are very much in uncharted waters.*

*It is not whether President Bush is at fault or Barney Franks, Chris Dodd, republicans, democrats... it is how we help the people of Derby in these troubled times.*

*In the past few weeks I have heard predictions from prominent economists with dramatically differing visions of our near future.*

*Some suggest the stimulus was not enough and others suggest it needs to be substantially more.*

*Some suggest this recession will end late this year and others suggest the turn will not begin until late in of 2010.*

*These predictions are not coming from a blog here in Derby but from the most prominent, intellectually sophisticated and educated economist in our country.*

*There is one common thread in all the predictions.*

*Regardless of when and how the economy will rebound, they all agree unemployment will continue to get worse.*

*It is with that common prediction that I come before you tonight to present my budget.*

*I believe, as people lose their jobs, as people are insecure about retaining their jobs,*

*the worse thing we can do is to increase their taxes,*

*I believe it is our responsibility to continue to provide all services to the people of Derby but I believe we must do it without raising their taxes.*

*My budget accomplishes both of those essential goals.*

*Therefore, I am pleased to present my budget to you for consideration. A budget with Zero increase in taxes.*

*Non-Union employees understand they will not be receiving any pay raise.*

*The City Hall Union, The Library Union and the Public Works Union have agreed to a zero increase pay raises for the 2009-2010 fiscal year.*

*I would like to thank the Unions and the non-union employees for their consideration and cooperation.*

*My budget includes \$17,357,983 for the Board of Education.*

*This appropriation of \$17,357,983 does not include the stimulus money the Board of Education will receive. The amount they will receive is \$600,000 over the next year, of which a minimum of \$200,000 can be used for regular educational expenses.*

*In this tight fiscal year, I think that amount is very generous and indicates our commitment to continuously improving our educational system.*

*I would like to express one desire.*

*I would like to have the Board of Education sit down with me to help them if they desire switching their employees to the H S A health insurance plan. As you know we did this for all City of Derby employees which provided them with better coverage, less costly to the individual and saved the tax payers \$173,000.*

*I also would like to discuss with them the joining of our two groups so less of the tax payer's money goes for insurance commissions and health premiums and more to the education of our students and needed services.*

*I would like to now ask our Director of Finance Henry Domurad to explain my budget. A budget their wisdom and expertise greatly contributed to its creation.*

*Before I turn the presentation over to Henry I wish to explain the fact that the former Mayor and the Board of Aldermen in 2005 created, by ordinance, three positions within the Mayor's office.*

*They were the Chief of Staff, the Chief Administrative Officer and the Grants Writer. We, on hiring the Director of Economic and Community Development included in the job description the role of Grants Writer. I have not hired a Chief of Staff and have assigned*

*those responsibilities to the position of Chief Administrative Officer. I intend to have the Board of Aldermen make the necessary changes to the ordinances thus eliminating the Chief of Staff position. My budget fully funds my department without the need for layoffs. This will allow full compliance with the Charter and Ordinances of our City.*

*May I close by saying,*

*we are in unchartered waters.*

*A time to tighten our belts on behalf of the people who have entrusted us with the responsibility of running their government.*

*The budget presented maintains services without a tax increase.*

*The citizens of the City of Derby deserve no less.*

*Thank you so very much for your attention."*

Mr. Domurad highlighted areas of the expenditures which are at or below 2008-2009 levels. The big savings came from the bond upgrade and the refinancing of the debt.

**A MOTION** to reopen the public portion by Mr. Kurtyka with a second by Mr. Lazowski, discussion...on advice by Corporation Counsel public portion will not be reopened. Mr. Kurtyka and Mr. Lazowski do not withdraw their motion, it is left on the table...discussion, Roll Call: Mr. Krutyka - yes, Mr. Varsanik - yes, Mr. Lazowski - yes, Ms. Romano - no, Mr. DiSorbo - no, Ms. Duhaime - no, Mr. Laskowski - no, Mr. Nichols - no, Ms. Szewczyk - no, Mr. DeFala - no. 3 yes 7 no. **Motion fails.**

#### **REVENUES**

**A MOTION** was made by Mr. DeFala and second by Mr. Nichols to accept the revenue figure of \$33,722,082, discussion: Mr. Kurtyka wanted to know the affect if the Court House closes, Mr. Domurad explained this is a State owned property. There is no revenue to the City, all in favor. **Motion carried.** Move that the Board of Apportionment and Taxation adopt a total of \$33,722,082.

#### **9100 EDUCATION/ MIDDLE SCHOOL**

**A MOTION** was made by Mr. Varsanik and second by Ms Romano for the Board of Ed at 17,100,621 and the Middle School at 257,362: Move that the Board of Apportionment and Taxation adopt a total of \$17,357,983. Mr. Lazowski recused himself. **Motion carried.**

#### **1100 MAYOR**

**A MOTION** to accept 143,433 by Mr. DeFala with a second by Mr. Kurtyka, discussion...Mr. Nichols said it was discussed previously to move money from the Chief Administrative Assistant line item into special working balance. Part of his motivation was to examine some of the need for some of the positions in the Mayor's office. His concern is it would require all ten of the Board members to move that money back. He would vote against the proposal put forth.

Ms. Romano said the purpose is to get it to the Board of Aldermen and if they make a ruling in favor of transferring money back, then the Tax Board must fund it. She said the motion includes the reference to the Board of Aldermen. All in favor....Roll Call: Mr. Kurtyka - no, Mr. Varsanik - no, Mr. Lazowski - no, Ms. Romano - yes, Mr. DiSorbo - no,

Ms. Duhaime - no, Mr. Laskowski - yes, Mr. Nichols - no, Ms. Szewczyk - no, Mr. DeFala - yes.  
3 yes 7 no. **Motion fails.**

**A MOTION** by Mr. Nichols to approve 181,739 with a second by Ms. Szewczyk,

discussion: a friendly amendment by Mr. DiSorbo: move \$37,696 from the Special Working Balance to the line item of 1100-110-0113, Chief Administrative Assistant and authorize the Chair to contact the Board of Aldermen to request the review and consolidation of the position of Chief Executive Assistant (line item 1100-110-0113) currently in the Mayor's department with the position of Chief of Staff (line item 6300-110-0113) currently in the Economic Development department into the Chief Executive Assistant (line item 1100-110-0113) to be retained in the Mayor's department and the subsequent removal from the City Code of the position of Chief of Staff (line item 6300-110-0113) in the Economic Development Department,

Mr. Nichols accepts the friendly amendment with a second by Ms. Szewczyk.

Mr. DeFala said the goal has been skewed about why it was originally taken out of the line item. In these economic times as expressed by Mr. Domurad and the Mayor; every department should have to review ways to save this town some money. They thought it would be a good idea to consolidate two positions with a good salary and take on a little bit more duties. To do that they tried to put it through the proper channels. There was no intention to take someone's job or make people angry or question other people's authority and their jobs. It was to put it through the proper channels and expect every department to do the same thing; cut and save the town some money. That does not exclude the Mayor's department.

Roll Call: Mr. Kurtyka - no, Mr. Varsanik - no, Mr. Lazowski - no, Ms. Romano - no, Mr. DiSorbo - yes, Ms. Duhaime - yes, Mr. Laskowski - no, Mr. Nichols - yes, Ms. Szewczyk - yes, Mr. DeFala - no. 4 yes 6 no. **Motion fails.**

discussion...Ms. Romano said the concern is how do we ensure the issue is addressed the way we want it addressed. How do we get someone to come back to us and report we did our due diligence in getting this done, this is our recommendation.

Clarification of the motion: Mr. Nichols makes a motion to approve 181,739 along with a drafting of a letter to the Board of Aldermen requesting they examine merging of positions within the Mayor's office, second by Mr. DiSorbo,

Discussion..Mr. DeFala requests Corporation Counsel make a recommendation with regards to this motion. Attorney Coppola said they are the Tax Board for the City of Derby. You can't append something that deals with the Ordinances or the Charter. The proper way to do that is to put yourself on the agenda for the Board of Aldermen.
